

THE COMPANION PROGRAM

The **Companion Program** offered at the Dento Sapiens clinics is one of the most comprehensive yet economical annual family dental membership cum loyalty program. This plan focuses on dental and oral health upliftment for the family and individuals; and strengthens the fundamentals of preventive dentistry practiced at home.

Companion Program provides the members an opportunity to redeem dental consultation services and initial digital diagnostics at no extra cost - While staying on top of taking charge of their own oral and dental health. As a Companion, the Dento Sapiens group guarantees the utmost care, quality, and standards being met across our network of clinics (including partner clinics). Always ensuring that 'the patient's oral health remains at the top of our commitments'.

The plan offers a number of exclusive benefits including year-long dental consultations, as well as unlimited digital diagnostics and teleconsultation. Please feel free to avail the services across any of our clinics in the Dento Sapiens network. The program is created with a commitment to ensure the family comes together to take charge of their oral health. **Together!**

Contact our customer care number or WhatsApp us to get in touch and book an appointment with our Team/ Clinics. We pledge to be your oral health experts and a one-stop destination for all your dental needs.

A few of the next pages cover basic details on the **Companion Program**. Please read the same carefully and help us provide you with the best of an experience. We are looking forward to your first visit soon.

Thank you!
